### QUICKEST ACTION

Mandatory voicemails on outbound calls — cuts smoke and opens the door for a call back.

## Action Plan

To improve phone grade

1

### Outbound calls: get more people live.

Speak with low connectors about who they're calling and when. Quality of list matters.

2

### Outbound calls: lift appointment set on live convos.

Once the salesperson is on the phone, they need to ask for and set the appointment. Manager listens and shares can boost this. Let them know you're listening.

3

### Request in more sales calls — ask for the appointment.

Every call should be asking for the appointment. Run the call guide. Ring Ring 3x a week.
